

St Mary's Visuals and Sound Desk Roster:

June, July, August 2017.

A quick reminder to everyone about setting up times.

It is critical to arrive in good time so that sound checks, problems etc can be sorted out, before the majority of the congregation arrive.

If on Sound, please be in Church at 9.45, so that microphones and sound checks are completed by 10.10.

Visual operators should be setting up at the same time to run through and check the setup is correct as well as ensuring you are aware of any verses that are repeated etc, as well as checking the power point, if used, transitions correctly.
